Hamad Ibrahim Alzaabi
CEO

OUR VISION

Our VISION

To be a leading force in the waste management industry, recognized for our commitment to innovation, environmental responsibility, and creating a sustainable future for generations to come.

OUR MISSION

To provide exceptionally fast and reliable demolition and waste management transportation services, exceeding client expectations while prioritizing safety, sustainability, and regulatory compliance.

OUR SERVICES

At Alsura El Faeqa Wastes Transport LLC, we provide a comprehensive range of services tailored to meet the needs of the construction and demolition industries.

Our expertise includes demolition waste removal, ensuring sites are cleared efficiently and safely; transportation services, offering reliable and timely movement of waste materials and waste management consulting.

With a commitment to safety, sustainability, and regulatory compliance, our services are designed to exceed client expectations and deliver exceptional results for projects of all sizes.

OUR SERVICES

01 Demolition

Our highly trained experts conduct carefully planned and controlled demolitions, adhering strictly to industry best practices and safety standards.

02 Transportation Services

Reliable and timely transportation of demolition and construction waste to designated facilities.

03 Waste Management Consulting

Expert advice and customized waste management plans for optimal project efficiency.

04 Recycling and Disposal Solutions

Environmentally friendly recycling and disposal of waste materials.

05 Waste Removal

Whether it's residential, commercial, or industrial waste, we tailor our solutions to meet your specific needs with professionalism and care.

Demolition

Our highly trained experts conduct carefully planned and controlled demolitions, adhering strictly to industry best practices and safety standards. Every step of the process is meticulously executed to ensure maximum precision, minimal environmental impact, and the highest level of safety for all involved.

At Alsura El Faeqa Wastes Transport LLC, we ensure quick and thorough site clearance while prioritizing safety and environmental responsibility.

Transportation Services

We offer dependable transportation services tailored to meet the needs of the construction and demolition industries.

Our fleet of modern vehicles is equipped to transport various types of waste and construction materials safely and efficiently.

With a focus on timely delivery and compliance with transportation regulations, we ensure seamless operations for our clients.

Waste Management Consulting

Our waste management consulting services are designed to help businesses optimize their waste handling processes.

We provide expert guidance on developing sustainable waste management strategies, ensuring regulatory compliance, and reducing environmental impact.

Our consultants work closely with clients to design customized solutions that enhance operational efficiency and sustainability.

Recycling and Disposal Solutions

Committed to environmental stewardship, Alsura El Faeqa offers innovative recycling and disposal solutions.

We prioritize the recovery and reuse of materials whenever possible, minimizing waste sent to landfills.

From sorting and processing recyclable materials to safely disposing of non-recyclable waste, our solutions are geared toward promoting a circular economy and reducing the overall environmental footprint.

Waste Removal

We specialize in providing professional and eco-friendly waste removal services tailored to meet the needs of residential, commercial, and industrial clients. Our experienced team ensures the efficient collection, transportation, and disposal of waste, all while adhering to the highest environmental and safety standards.

We handle various types of waste, including general, construction, hazardous, and recyclable materials, offering solutions that minimize environmental impact. With a commitment to sustainability, we prioritize recycling and proper waste segregation to reduce landfill contributions.
